Springfield, Massachusetts 01105

Cheryl C. Clapprood
Police Commissioner

Cooper Standards Physical Assessment Instructions

The Cooper Standards Physical Assessment is the first of many steps in determining whether or not an individual will be accepted into the Springfield Police Academy as a Student Officer. This assessment **MUST** be completed successfully in order to pass to the next phase of the hiring process.

Candidates must sign the “Cooper Standards Physical Assessment Agreement”. Candidates must also have their medical provider sign the Medical Endorsment form. Both forms must be signed and returned to the Springfield Police Academy. Once returned, the candidate will be given the date and location of their Cooper Assessment.

Question regarding the Cooper Standards Physical Assessment can be directed to:

Captain David Kane
Academy and Training Division Director
Springfield Police Academy
